

Raising Awareness through Speed Skating

The MacHattie family has put together a 1½ minute speed skating video story about how inclusive the sport is based upon their experience with the Oakville Speed Skating Club. It features Scott, who has Down syndrome, and has been selected as one of the Top 16 in the country and is now available for national voting in the second annual *ING Speed Skating Challenge*. Think of it as Canadian Idol – speed skating style. **The choice of the best video now lies in the hands of the public**, so *please* encourage all of your friends to support us, so that we may spread the message as far as possible!

www.INGSpeedSkatingChallenge.com

To vote for our video, you'll need to register your email address. Only one vote per email address per showdown bracket will be allowed, but, you can help us move on to the next level by sharing this with *all* your friends. Each voting round viewers will vote for their favourite and the video with the most votes will move on in the competition. We will need your help 4 times, as Scott moves from the top 16, to top 8, to top 4, to top 2 and hopefully to number one.
